

Jamilah Corbitt

Not everyone is going to like you, but those who do will fill your pockets.

Jamilah Corbitt believes fundamentally there's no difference between you and the world's most successful people, and once you learn how to communicate your message with authority, you become unstoppable.

As a social media personality, Jamilah shares her insights and expertise via YouTube, Facebook, Periscope, and as a former contributor for HuffPost, Business 2 Community, and other industry-specific publications.

Jamilah is an international award-winning speaker and visionary leader of i am a brand® — a digital media agency that drives revenue for growing companies by providing them with the tools and resources that empowers them to build profitable customer-centric communities.
